

Sun Ministries

Uniting People to Serve the World

Mission Store

The Mission Store will be participating in the upcoming Isaiah 61 Initiative fund raiser at Java G's Coffee House in St. Charles, Missouri. The event will be held at 7pm on April 3rd. Those in attendance will have an opportunity to view and purchase products from our inventory. A new addition to the mission store will be products from missionaries serving with the poor, widows, and orphans in America. Put this on your schedule, you won't want to miss it!

Spiritual POW Project

We have three answered prayers for a Spiritual POW! What an awesome new project we have started. Go to the web site and read up on this idea. This project will have far reaching benefits to God's Kingdom. If you know of any Christian groups that need a fund raising idea have them call Terry at 636-544-2151.

Isaiah 61 Initiative

Our most ambitious project ever. This work is calling missionaries to the inner cities of America. It will organize all of our existing projects into one synergistic effort. See the new video that has been produced and donated by Epiphany Video Works. Go to www.sunministries.org/Is61.html

Isaiah 58 Prayer & Fasting

Sun Ministries, Inc. is encouraging people to read Isaiah 58 and join us a monthly day of prayer & fasting. We believe that by joining together in this way we will see unity grow in our common efforts to serve the world. See the calendar for dates. Contact us if you would like to organize an Isaiah 58 day of prayer & fasting in your area.
